

# GASC Election Committee

## Application for the 2022-23 School Year

Dear GASC members and advisors,

Thank you for showing your interest in the newly-formed GASC Election Committee! The first step in becoming an appointed member of the GASC Election Committee for the 2022-2023 school year is to fill out the application below and attach it to the Google Form on the website by **January 22th, 2023**.

**Additionally, we would like a brief video showcasing your passion and spirit towards GASC (maximum time of 2 minutes, no specific topic, must be appropriate). The link to the Google Form for submission is [here](#). Please submit a typed copy of your application.**

We prefer elections committee members to not be running for office. However, if your school decides to run for an Executive Board position for the 2022-23 school year, it is an expectation that you will not participate in any part of your school's campaigning process if appointed, as stated in the GASC Constitution. Additionally, we encourage that you attend any and all GASC events hosted throughout the year!

By applying, you are making a commitment not only to your fellow committee members but also GASC. This includes attending Convention and fulfilling the following guidelines, as detailed in the GASC Constitution:

1. Overseeing the elections process during convention
2. Approving of campaign materials, campaign skits, and campaign speeches
3. Assisting with election meeting(s)

Thank you for applying and please let us know if you have any questions throughout this process by emailing [gascparli@gmail.com](mailto:gascparli@gmail.com). We wish you the best of luck!
