To Whom It May Concern,

On behalf of the Alpharetta High School Student Body, we would like to express our interest in becoming the Parliamentary School of the 2022-2023 Georgia Association of Student Councils. Alpharetta High School would be honored to hold the position of Parliamentary on the Board of the Georgia Association of Student Councils, and we are confident that our student council can enhance the experience of all students involved in GASC. Alpharetta High School holds high the values of serving the community and empowering student leaders through the virtues of respect, integrity, citizenship, and hard work. It is with these qualities that Alpharetta High School is a veracious candidate for GASC Parliamentary School.

Alpharetta High School values the preservation of the Georgia Association of Student Councils' Constitution. Furthermore, Alpharetta High School's Student Council will work rigorously for the facilitation of efficient performance in regard to the GASC Executive Board. With the help of advisors and fellow students, Alpharetta High School's Student Council maintains close communications with administration and the local community. We take pride in our ability to abide by the rules and ensure that our students do, as well. Our ample amount of leadership experience will greatly increase the functionality, productivity, and capabilities of the GASC board, and we are certain that other schools will benefit from our positive attitude. If chosen to serve as Parliamentary School on the GASC Executive Board, Alpharetta High School will fulfill its duties with honor, courage, and commitment.

We thank you for your consideration and hope to be granted this great opportunity.

In collaboration,

Alpharetta High School Student Council
